In the heart of Lugano: located in the old town of Lugano and within the city's financial and business district, in a fascinating pedestrian area rich in history, shops and urban lifestyle!

Easy to reach: only 1 minute by funicular from the train station and with daily shuttle bus connections to the Milan Malpensa international airport and the Lugano regional airport. For those who arrive by car, a spacious underground garage is also available.

Whatever means of transport you have chosen to get to Lugano, we will be able to give you the directions and the best advice to reach us simply and with maximum comfort until the hotel entrance.

Free internet Wi-Fi

So that you can always be online, even when you are away from home, a high-performance wireless network is available. It is extremely stable and offers the utmost security for sending your data. It can be used both in your room and in the public areas.

Reception Desk 24/7

Our reception desk is open continuously, 24 hours a day, seven days a week; our staff are always ready to assist you, providing you with any information you may require and doing their best to meet your every need.

Quiet and security

Above all, safety. Through our monitoring and fire prevention systems and in the exclusive use of legally compliant materials. Another reason to sleep soundly.

For your taste

8 soft drinks in your room free of charge

There is nothing better after a hard day's shopping or a business trip, than resting in your room where the contents of an entire mini- bar, including thirst-slaking beverages, are available - free of charge. And your every wish is granted!

Tea and coffee corner available in the foyer 24 hours a day

A comfortable spot where you can wind down and relax, sitting comfortably on our padded chairs whilst enjoying a tea or coffee and perhaps allowing yourself to be tempted by some fine biscuits.

American Bar

Our barman is happy to serve you your favourite cocktail every evening after 4 pm, together with a wide range of delicious appetisers.

For your wellbeing

A No Smoking hotel

The fresh, clean fragrance is due not only to our meticulous cleaning, but also to the decision, endorsed by our clients, to make this a NO SMOKING hotel. A small sacrifice for the most hardened smokers, but a blessing in terms of health and the pleasure of staying in an altogether healthy, scented environment.

Scrupulous attention to detail and hygiene

We know that details make all the difference, and it is for this reason that we are meticulous about order, cleanliness and hygiene in the bedrooms and throughout the hotel. In our experience these are the details that count the most.

Maximum sleep quality

Of course, the quality of a hotel is also measured by how well you sleep and thus, by the quality of your bed: the place where you will spend most of your time during your stay in our hotel. We pay particular attention to the quality of the mattresses, the types of pillows available, and the different ways in which the beds can be made: either with traditional sheets or with a duvet in accordance with the north European custom.

For a tailor-made stay

MyPage is our exclusive section just for all our valued repeat guests who book directly with us, whether by phone, by mail or through this site. It offers guests a highly personalised treatment as well as a host of exclusive offers.

The joy of customising your tailor-made room

From the type of blanket to a choice of pillow and from the room temperature to the choice of free drinks in the minibar, we provide a wide range of special services which are bound to put you in a great frame of mind!

Your time is precious

To speed up the check-in procedures, you can provide us with your data beforehand by filling in the online form in your own time. To enjoy Lugano right from the word go.

To reward you for your trust

Not only do we anticipate your every need and desire - but we also offer you the chance to take advantage of exclusive offers reserved for our most loyal guests; you will not find such offers anywhere else.
